

K-love serves me as a resident of my local community by starting my day with God and being uplifted thru-out the day with God's word.

I believe the community would be adversely effected if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. There are thousands of adults, young adults and children that have choosen to listen to K-LOVE in the community of fairbanks Alaska. This station and music keeps us centered in our GOD.

I belive that the service provided by K-LOVE is in the public interest because music is very universal and very easy to share.
